

## Lab Results for Serkhane, Rachid (Male, 06/02/1987 )

## Laboratory

Name: Northwell Health Laboratories

Collection: 10/21/2020 03:57 pm

Order #: 63940000010179

Accession #: 4496410685

## Patient information

Patient ID: SR425966

Mobile: (718) 530-2119

Address: 25-21 34th Street, Apt. 4C  
Astoria, NY 11103

## Requesting Provider

Name: Kamal Ramani

## Comment:

10/22 NP

## COVID-19 PCR

Observations	Result	Reference / UoM	Date/Status
COVID-19 PCR	Not Detected	Not Detected	10/22/2020 04:42 pm
Vendor note: Testing is performed using polymerase chain reaction (PCR) or transcription mediated amplification (TMA). This COVID-19 (SARS-CoV-2) nucleic acid amplification test was validated by Northwell Health and is in use under the FDA Emergency Use Authorization (EUA) for clinical labs CLIA-certified to perform high complexity testing. Test results should be correlated with clinical presentation, patient history, and epidemiology.
